Hi Marcia,

Here's my first shot at the "Request an MS Outlook Email Search through SharePoint" form. I had a hard time reading my chicken scratch for the first part of the Relevant Information section, hope it's not too far off. For the keywords I wasn't sure if I should put everything in parenthesis or not, but I went ahead with it for now. I tried calling Munsel but I think she is out now. I'll try to follow up with her via email if we're not sure how the keyword formatting needs to be. If you see any errors let me know and I'll correct them, thanks!
